RE: Trademark: NESHAMA
Applicant: Erin Kofman

All correspondence in respect of this application must include the name of the applicant and, if known, the application number.

The application to register the above-noted trademark was received on February 15, 2026.

Instructions were provided to the Registrar to charge **$438** on a credit card to cover the application fee. However, the prescribed application fee is $640.10 for the first class of goods or services. Therefore, pursuant to paragraph 33(1)(f) of the *Trademarks Act*, this application cannot receive a filing date or further processing until the **prescribed application fee is received by the Registrar**.

**Note**: The prescribed application fee is adjusted every year on the first of January. The amount for the first class of goods or services depends on the date on which the payment is received by the Registrar. Similarly, the amount for any additional Nice classes also depends on the date on which the payment is received, even if the prescribed fee for the first class of goods or services to which the application relates was paid prior to the annual adjustment. To find out the exact amount of a fee, please consult the list of fees available on CIPO's website at www.Canada.ca/IP-fees.

In order for a filing date to be granted, the following requirement must be satisfied:

> As of the date of this notice, **$202.10** is missing to complete the prescribed application fee for the first class of goods or services Please note that the examiner will make the final determination of the number of classes once your application is examined and any additional Nice class fees will be payable at that time.

The prescribed fee may be paid by credit card, deposit account, cheque or money order. Cheques and money orders are payable to the "Receiver General of Canada".

A response may be received by fax to (819) 953-2476, or by mail at the following address:

Registrar of Trademarks
Place du Portage I
50 rue Victoria, room C-114
Gatineau, QC K1A 0C9

**Payment must be received by April 18, 2026 to avoid the application being deemed never to have been filed under subsection 33(3) of the *Act*.**

Yours truly, Please see credit card authorization for the remaining $202.10 (Total $640.10).
